Heifers flowed through the yards with ease, drafted off their calves with no issue. The odd Heifer got up on their toes in the yards and assessment process but nothing of an aggressive nature. Some Heifers did stir up slightly in the crush also. Overall a predominately quiet line of NSM Heifers & Calves.

Assessor Comments

Originally purchased for a new Herd, but due to a change in operations, and very wet conditions these lines of Heifers and Calves have once again come up for sale. 19 Angus/Hereford x Heifers and Calves by Stud Leawood Angus Bulls renowned for Calving ease and high Growth. Calved as 21/2 year olds. Showing plenty of frame and maturity after originally purchased as heifers in 2020 out of Mountain Calf Sales, these heifers have been hand selected to suit breeding operations. Please not 1 blue eye scaring and 1 white crest in Heifers only a cosmetic issue. The cattle are ideal young breeders and are an excellent opportunity as heifers of this calibre are rarely offered for sale. Please note Vendor has other consignments in this sale.
