Assessor Comments	Small line of medium to large framed Poll Hereford cows with Angus calves at foot. Redepastured back to the Angus Bull for eight weeks since calving. Cows were originally purchased off AuctionsPlus in October 2020 from Oroonoro Station South Australia, as cows and calves. Calves are solid, sappy and thick, they are not marked or vaccinated. Please note the a couple of cows presented with old pinkeye scar that dose not appear to be detrimental. All cows are by the Poll Hereford bulls with one cow having some Brangus background therefore is Brindle in appearance.
