Handled With Heifers were a pleasure to handle throughout the whole process. You wont see any cattle that are quieter than these!

Assessor Comments Buyers a nice line of pure Red Poll 2 year old heifers, ave 421kg (16 hour curfew). These would have to be some of the

quietest cattle i have ever handled & are a credit to the vendor! They are a very even line with only 47kg between the lightest to the heaviest. They are good medium frame, have length, style & type and would make top future breeders & are ready to mate now on to the bull of your choice. Alternatively, you can grow them out into heavier weights for grass fed programs being Greenham Never Ever Acc & NG/NA.
