Assessor Comments	Buyers, Here is a line of well bred straight EU Hereford replacement heifers with years of breeding. Heifers present in good store condition averaging 355kg. Heifers have great length of body with plenty of volume and femininity. These heifers have great depth of flank with tremendous softness. Heifers are bred out of a, A Grade soft straight Hereford cow herd by top quality stud Hereford sires. GlenLeigh Park have a great reputation for quality Hereford genetics. These heifers where extremely quiet to handle both in and out of yards. Note vendor has heifers in same sale.
