| Assessor Comments  | If your looking for cattle with frame! This is a nice deck of droughty cross bred steers. These fellas are ideal to take advantage of the current season . The steers are very well educated with plenty of frame to move. (Located in a tick free zone) . Excellent weight gains would be achieved on these cattle given the right feed. Keep an eye on the Brangus x mates that are in the same sale. Both lots would be suitable for anyone wanting to purchase a couple of decks. |                |                                     |
