Assessor Comments	If your looking for cattle with frame! This is a light deck of quality Brangus steers. These fellas are ideal to take advantage of the current season . The steers are very well educated with plenty of frame to move. (Located in a tick free zone) . Excellent weight gains would be achieved on these cattle given the right feed. Keep an eye on the droughty mates that are in the same sale. Both lots would be suitable for anyone wanting to purchase a couple of decks.
