Handled With	Heifers were good to handle through the yards with a small percentage stirring in the crush whilst being assessed. Heifers were a little runny in the yards to handle. Bikes , Vehicles
Assessor Comments	A line of predominately Angus yearling heifers presenting in forward store condition. Heifers all run back to Raff Angus bloodlines and have really started to pick up with more nutritious feed. Ideal heifers to put in the paddock and take through to feeder weights or even breed from. Heifers were a little runny in yards to handle. **Please Note** 2 heifers had ringworm. Vendor also has a lot of steers in the sale.
