	Cattle handled well through the whole process with only a couple of steers being unsettled in crush, worked by dogs in paddock .		
Handled With	Bikes , Dogs , Horses , On foot , Vehicles		
Assessor Comments	A deck of very good Simbrah steers that are weaned and ready to grow. Good steers to handle . These cattle show softness and will continue to grow out to heavy weights if given the opportunity and should finish to suit most markets. 6 lighter steers in this sale to help make up load plus a deck of heifers. One steer showing some brindle in coat , one steer grey. 3 steers were only marked 5 weeks ago and still show some male characteristics but will grow out quickly
