Assessor Comments	A great opportunity to purchase a great line of feeder steers. These steers have been on the front foot from the day they were born. They have excellent weight for age. These steers have been weighed 441 kg to 532 kg full on the 24/11/2021. The 3 heaviest steers were 528, 530 and 532. Next heaviest was 514 kg. 2 steers have a small amount of white just forward of the navel. 2 steers with 1 blue eye only. See photos if required. These steers have always performed well in feedlots in the past.
