Unweaned Calves that handled the assessment process well. 2 heifers were unsettled during process, and stood off in small yards. They did have a small amount of run in big yard but block up well and happy to mob up.

Assessor Comments

Buyers, a nice line of crossbred heifers bred out of big deep Charbray cows by Ascot Angus and Charolais Bulls. Take advantage of the favorable seasonal conditions with these heifers that are really starting to steam ahead. These heifers present the opportunity to hit that strong feeder market or retain and join to a bull of your choice. Heifers handled the process well and will be weaned at time of delivery.
