	Excellent	100%	
Handled With	Yards	Crush	Paddock
	Quiet: 60 head	Quiet: 59 head Slightly Stirry: 1 head	Temperament not assessed in Paddock

Assessor Comments	A very good draft of Angus/Friesian cross feeder steers ready to take forward onto grain or finish into other programs.
-------------------	---

Steers have plenty of length and shape for the breed, coming out of good framed Friesan cows from a Western district breeder and by the AI sire Paratrooper P15. There is the odd steer with an odd wart starting to appear on their neck, but is not detrimental to the animals performance. Finish on grain or take on for other export markets.
