Very quiet steers. Been bucket reared and well handled. Good in yards and crush

Handled With: Horses , On foot , Golf buggy

Assessor Comments: 20 big stretchy Friesian steers that carry plenty of frame. These steers are the ideal article to take home and pour the

	weight on.They have been well handled and where pleasure to work with. These cattle are all straight Friesian steers and look every bit of the weight. These cattle have been running in some bush country and i believe once showed some solid feed will do extremely well. Please note 6 have horns and 1 has some warts.
