| | Heifers were drafted before assessing, they were quiet/docile and handled well through the yards at assessment and majority were stationary when standing on the scales. Overall very quiet cattle to handle. | | |

| Assessor Comments | A fantastic line of heifers showing plenty of hybrid vigor and length along with the Charolais shape and characteristics. Heifers are sired by Challambi Charolais bulls and out of Hereford/Shorthorn X cows - Yavenvale and Eurimbla bloodlines and have potential to grow out to be big roomy females. Great cattle to feed on or join to produce outstanding calves. Vendors have 2 lots in this sale giving you the opportunity to purchase 41 yearling heifers. Grass-fed and Antibiotic Free. |
