Assessor Comments A line of 20 weaned friesian bull calves that are ready to take the next step. The calves were purchased off local dairy farmers as bobby calves and have since been reared out by the vendor. The calves were weaned on the 10/10/21 and also had a 5 in 1 + B12 on this same day. calves would make ideal cattle to be grown out for the long term and turned into bullocks or feeder weight friesian steers. Please take note that the calves have had a 12 hour curfew over night before we assessed them.
