Assessor Comments	A neat young line of well bred steers. That where very quiet to handle. They been bred from some very reputable Dams that originate from Mansfield area (McCormack) and Benambra area (Prendergast). AI to Ravansdale, Tarcombe and Rib Eye. These steers were marked about 8 weeks ago, however there is one steer that appeared to be still abit "cordy", See pictures - Successful purchaser has the option to leave in or out. Ideal line of steers to grow out, given the right opportunitys would be high preforming and very well behaved.
