Assessor Comments	A draft of the Neander Angus heifers that will certainly make beautiful breeders for the future. Being sired by Banquet and Rennylea bulls these females show all the traits we've come to expect from these studs, length, frame, bone and a great temperament. (Rennylea heifers are non vendor bred x8, bought as heifers and calves) Very good weight for age in a less than ideal year (wet and cold from June to October). Buyers have the option to choose there sire or adopt a targeted AI program to further compliment these beautiful future breeders.**Vendor had these heifers individually checked by a vet to guarantee breeding capability, certificate attached.**1 white on navel, 6 white on udder, 1 prominent navel, 2 cloudy eyes.
