	Young Steers that have been handled in the yards on a few occasions. Easy to draft and only one person required to handle them in the back yards and forcing area. All Steers led up the race with no problems and stood quietly on the scales exiting at a walk.

Assessor Comments	Very smart line of Pure Kanimbla Blood Steers. Fresh healthy young steers with plenty of style. These are the younger/lighter brothers out of the draft, but are still steers with a very bold substance about them, heaps of bone, big knees & hocks, long deep bodies and plenty of space to hang meat off them. Steers that could target a shorter term feeder job, or carry on to the bullocks weights Note. Vendor has another 4 lots in sale. Please see photos for full contentment.
