	Bucket reared steers that are very quiet to handle		
Handled With	Bikes , Dogs , On foot , Vehicles		

Assessor Comments A nice line of Friesian steers AVG 227kg that are at the right age to take home and grow out. All the hard work has been done, they are very quiet to handle. Out of a predomintly Friesian herd. Please note that a few were missed when being marked and a ring was put on at the assessment. *another draft of 50 steers in this sale*
