Assessor Comments A good line of 50 steers in one run. Avg 166kg and starting to really do. These steers are very quiet to handle and are out a

	predominantly Friesian herd and have the scope to grow into bullocks. All the hard work is done! Please note that a few were missed when marked and a ring was put on the bulls at the assessment. *Another 15 steers avg 227kg are in the same sale*
