Nice cattle to handle in the yards and while drafting. They have been fed pasture hay regularly through the winter and are

	used to humane contact and vehicles.
Handled With	Bikes , Vehicles
Assessor Comments	Well grow calves with heaps of bloom and muscle. They will perform beautifully in the feedlot and will be heavy export cattle if they are put on pasture for 12 months. Nice cattle to handle in the yards and they will grow into very impressive cattle with excellent shape.
