Assessor Comments	126 very well bred NOP Organic and HW Greenhams Never Ever certified young weaners that have been brought down from the vendors northern property and weaned onto very good quality feed. These young cattle are improving quickly now they have adjusted to the change in diet. They are in ideal condition to turn out and will gain weight quickly on good feed. These cattle have generally either been grown out to heavy kill cattle or put into well known feedlots. I noticed two with warts at assessment. The Litchfields have another line of 149 weaners in this sale.
