Assessor Comments	A Deck of Quality pregnancy tested heifers for genuine sale. This line of Angus and cross bred angus heifers are medium to large frame and show plenty of length and softness. Heifers have been joined to (low birth weight) stud Warawee and Bunya creek angus bulls. Tested in calf by a vet to all calve in a close proximity. They have been viewed quite to handle though the yards and in the paddock and have been grazed on a rotational grazing fenced by electric fence. BUYERS PLEASE NOTE one heifer has warts on her face that will fall off in the near future according to the vet. Also the bigger sisters are in the same sale with both lots Located in a tick free zone.
