Assessor Comments	A small line of mostly medium frame Angus & Angus x PTIC Cows. These cows were easy to handle in the paddock and also while rafting in the yards with most only becoming unsettled while being assessed in the crush. No year brands were clearly visible but all cows were mouthed with 3 having sound mouths and 2 with worn teeth. Ideally suited for a small breeding herd or any breeders looking to build herd numbers. **Please Note** Vendor has multiple lots in the sale.
