Assessor Comments	A top line of young future breeders. 32 Palgrove charolais sired females with their first calf at foot, doing an exceptionally good job on their calves. These cows represent an opportunity to secure breeders of the future. The calves are by a Charbray and a Wakefield Charolais bull (photo attached) and are rejoined to the same two bulls. The calves are fresh and ready to perform. Please view the videos attached to satisfy breed and quality description.
