Assessor Comments	A line of young heifers with calves at foot. 7 are on their first calf, 5 are on their second calf. They have been rejoined to good quality Angus bulls. Calves are generally fresh and sappy. One cow lower in condition, was drenched recently and appears to be doing well now. Excellent opportunity for a re-stocker, note the Charolais cross heifers with calves in this sale as well. Note delivery period is Saturday 27th to Wednesday 1st.
