	Quiet: 58 head		Quiet: 58 head		Temperament not assessed in Paddock			
	cattle handled very well through the yards, these cattle have been handled very well by good stock handling practices since been purchased .they have also been used in a rotational grazing practise behind 1 single electric wire for the past few months.							
Handled With	Dogs , Horses , Vehicles							
Assessor Comments	this is a nice line of 1st calf heifers and calves. cattle were purchased as yearling heifers from Belford Park at Scone as a run of one mark future breeders. they were joined to Door Key Wagyu sires(Door Key L0040 and Door Key L0272), calved out and now rejoined to the Iron Bark Hereford sires since the 20th of september. please note that there are 3 home bred heifers in this lot. also please note that there were approx 5 cows treated for active pink eye at time of assessment. not deemed detrimental .please refer to photos for better visual description.							
Assessor	Gavin Beard (Level 1 Accredited) Phone: 0438 452 810
