Assessor Comments Buyers, Offering a good young herd bull. That would be an excellent option to cover a late season break down. Bull are derived from "The Laurels" registered Angus stud at Braidwood NSW owned by the late Dr Peter Healy. Due to his prolonged illness and drought, some 20+stud cows and some offspring were progressively re-located to property at Oberon and two of the Laurels sires resident on "The Grange" were used to establish stud pregnancies over the period 2017 -2019/20. Stud records and EBV measures were unable to be maintained for that period such that no progeny EBVs are available. They are surplus to our current herd requirements but CANNOT be officially registered due to the circumstances above.
