Assessor Comments	Good line of 2-3 Year old Santa cross & Droughtmaster cross heifers and calves. Calves at foot by Killarney blood Angus bulls. Heifers doing a great job on there calves dropped over a 3 week period. Heifers were purchased November 2020 and have preformed and calved out well given current favorable seasonal conditions. Good young low maintenance breeders doing a great job on there calves. please note calves were weighed and photos taken of 52 calves. that were mothered after assessment . Great opportunity to secure tidy young breeders with a short term return.
