Assessor Comments	A/c The Glen MC-C offer as part of their herd dispersal, 9x9 The Glen Angus blood cows and calves. These cows are 5th Calvers purchased out of the Mitta Valley as young females, they have been re-depastured back to a Jarabee bull which will stay with them until delivery. Their calf at foot is by a Jarabee bull, have been marked and is 4-6 months of age. These big roomy females have plenty of breeding life left in them, they are very good quality and are only being offered due to the loss of lease land. They are located 2km off the Hume Freeway at Mullengandra NSW with B-Double Access. Please note 4 cows have white on or near their udders/flank, refer to media. Please also note vendor has two other lots in same sale.
