Handled With	Great temperament females. Very quiet in yards and worked well through the race. They all stood quietly on the scales without any fuss. Quite happy to have someone walk around them in the yards.		
Assessor Comments	Large framed SimAngus Cows with ripping unmarked SimAngus Calves at foot and have not been rejoined. Hard to find J-BAS 7 accredited females. Noted at Assessment was 1 Cow with turned in front claws and 1 Cow with larger teats. There is 2 Red Cows and 2 Red Calves in this draft. 1 Red Cow not photographed at assessment. Great temperament females that are doing a good job on their calves. From a herd that regularly supplies Simmental & SimAngus bulls from Gippsland in the south to Texas in Queensland.
