Assessor Comments	An excellent line of PTIC Cows due to commence calving early March. These cows were purchased via Auctionsplus and have proven themselves as excellent mothers. They are Hazeldean blood and the quality is easy to see in these large framed, deep bodied matrons. The cows are joined to an exceptional bull in Milwillah Lannister being in the top 15% of the breed for 400 day weight and the top 9% for EMA at +9.5. A Quality line of females that would be an asset to any beef operation. NB: 1 cow noted to have a blue eye.
