Handled With Bikes , Dogs , On foot

Assessor Comments	5 Station mated 5 year old Angus cows in calf to Fox River Angus Bulls Q156 & Q130. All these cows are showing signs of calving in the next couple of weeks and can calve no later than the 20th of December. These cows were purchased ex Ben Lomond in spring 2018 as 1st calved heifers. The cows have since blossomed and have matured into beautiful breeding females currently in the prime of their life and are only being offered due to the sale of the property. These cows and calves present a great opportunity for the successful purchaser to buy quality outfits that will continue to breed for years to come. This is the fourth offering of 6 lots from the same vendor and 4 of 4 lots offered of all being the same breeding. Purchasers have the option of vendor finance till the 10/07/2022 for approved buyers by Nutrien Echuca. If you require vendor finance it must be writing to Nutrien Echuca 24 hrs prior to the sale.
