	Very quiet young females to handle in every manner. All led up the race very easily, stood on the scales and didn't move, then even after mouthing they were happy to exit the crush calmly at a walk and wander back to their calves. Easy going girls that could be handled by a stock person of any experience.					
Handled With	Bikes , On foot , Vehicles					
Assessor Comments	Good fertile cows that have remained in the system by producing and rearing a calf every year, very sound in the feet and udders. All calves are bright eyes & fresh and have been well looked after by their experienced mums and could be easily weaned upon delivery. Recently re-joined to the Table Top Angus bull giving the buyer the option to either wean, retain the calves & on sell the cows, or carry on for another year and pull a calf off them. Realistically reserved at their split value. Please see photos & video for full contentment.
