Assessor Comments	3 x 3 Straight Charolais Heifers and calves. Only Young heifers with there whole life's in front of them. These heifers were bought in earlier in the year, at the local Koonwarra Store sale. Formerly bred by the "Ringer" family at Bass. Who in recent years have been concentrating on the Palgrove bloodlines. 3 young calves at foot (2 heifers) sired by the Palgrove Charolais Bull. Heifers did everything right while in the yards being assessed. Did get a little anxious in the crush, we're fine once out and back with there calf. Not re Joined, ready for the bull of your choice. Heifers with calves teeth still and more room to grow over the next 12 months or so. Make the most of this opportunity with straight Charolais heifers being offered and there first calf already on the ground by there side. Please Note= One calf has small lump on side of face.
