Handled With	Bikes , On foot , Vehicles
Assessor Comments	A good line of middle aged cows. Cows are doing a great job on their calves and given the opportunity will make good vealers or heavy feeder weights. This is a genuine herd dispersal of genuine breeders. As you can see from the photos these cows are in prime condition and are as quiet to handle as you could ask for. These cows will be good as top up cows or with the 4 other lots in the same sale will make a good stand alone herd. Not to be over looked reserved to sell.
