Assessor Comments	The 1st Cross ewes are well grown long body, large framed March April drop Lambs. They are out of classed Poll Boonooke ewes by Cardel Blood Rams. They haven't had a set back in their lives. the Ewes are not prime fat even given the abundance of feed and the light supplementary feeding of oats. 2 ewes have had a touch of dermatitis and will be rejected at purchasers request. The breeder of these ewes has had along time relationship with both Poll Boonooke & Cadell Studs.
