Vendor Comments	Rams selected have above average breed figures for weaning weight & post weaning weight.		
Assessor Comments	Excellent quality line of wether lambs in store to forward store condition. These are all frame, are quite fresh and would finish quickly on good feed. Not much to do here as lambs are shorn and had treatments ready to go. Very well bred lambs that would suit any fattener or feedlotter. Wethers show great body shape and length and the Deepdene BL Stud has a high focus on carcass, growth and early maturity.
