Assessor Comments	A very attractive line of White Suffolk Cross Ewe Lambs that are a good medium frame for age and present in very forward condition with barrel, depth and bone. Bred out of a very productive Merino wool flock and sired by high index White Suffolk Sires. These young Ewes would make very productive Maternal Dams as they are bred out of highly fertile Merino Ewes. This lot represents 400 of the lead draft of 780 of Willalooka's 1st cross White Suffolk Ewe Lambs and will be delivered as a run out of the gate. Note - The Vendor has 2000 on offer in this sale over 2 drafts, represented in 7 lots. * Lambs have been drenched for Liver Fluke and have tested as zero presence, withhold period expires 10/12/21
