Vendor Comments	Turnoff of second draft of xb lambs with tail end removed		
Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.		
Assessor Comments	Ideal each way lambs top up on stubbles or in a feedlot, or could go to light kill now. Shear these lambs off and place them on good feed and they will put on weight rapidly ready for a January kill. These lambs have plenty of energy and size in them they are only being offered due to the vendor focusing his time and efforts into harvest. Please call Greg Beaton for any further details.
