Assessor Comments	Pure Well Gully blood Poll Merino Ewes - proven breeders bred at Muttaborra from a large scale self replacing non mulesed flock. The ewes are improving quickly coming off the board 6 weeks ago in store to lighter store condition and are now on fresh green very good quality feed that will give them every opportunity to put on significant compensatory weight. Ewes that mouth up very well for their age and offer an opportunity to rejoin, shear again & fatten. 4% have slightly enlarged udders, 7% one or both ears missing, 12% scaly ears, 5% longer overgrown toes. 6 bare shorn ewes are included & 1 ewe with old dry flystrike.
