Assessor Comments	A good line of 265 Merino Ewes 12 to 13 months of age. These sheep present in good order and with the same opportunity going forward will mature into a high end medium framed ewe. Bred from a long standing merino flock that is known for its quality sheep and quality wool that over the years has been sourced regularly by italian wool firms. There has been a tail end taken out of these sheep, A great opportunity to purchase a future breeder plus wool cut.
