Assessor Comments	On offer 39 station mated Australian White ewes with 6 lambs at foot. Ewes having plenty of breeding behind them with a big focus on carcass traits and shedding. Ewes being continually joined to Highveld Australian White ram, with a percentage showing udders (fit to load guidelines to be considered by purchaser). Ideal start mob with potential quick turn over or to boost existing numbers. Vendor only selling ewes to reduce numbers allows for an excellent opportunity for successful purchaser. Please Note: Vendor happy to sell ram to complete the package once sale is made.
