	Wrinkle Score
	Plain 100%
Assessor Comments	A great line of young 1st X ewes and lambs to take on and put onto excess feed for a quick trade with the Poll Dorset X suckers averaging 22kg. Ewes present in lighter condition and will only keep growing and fill out over time. They are out of Merino ewes sourced from Lightning Ridge, Walgett & Goulburn. 1-2 Dorset X ewes noticed in mob. Please note lamb numbers could vary a % as there was a tail of ewes taken out at assessment. One lame lamb noticed in mob. Vendors also have dry ewes in the same sale.
