	B (66-70cm)	30%	Good	30%	Medium	10%	GAQ	60%	
Assessor Comments	A very good line of Watervalley blood maiden ewes that are Sept Shorn. These ewes have improved dramatically after shearing and a good clover spring has turned them into good conditioned young ewes ready for the ram of your choice. This line is part of the total line of 487 that have been put up in two lots to suit all purchasers.
