Assessor Comments	A good line of 5.5yo ewes that are being sold as a change in direction on the property. Ewes are improving rapidly since shearing and have their lambs weaned. All ewes reared a lamb last year with the tougher start straggled early but have bounced back well now ready for the ram of your choice. Purchased out of Jamestown all SA bred all from the mid north. Genuine dispersal of breeding ewes with all the age groups in the same sale.
