Assessor Comments	A very rare opportunity to buy a complete dispersal line of young dorper ewes with LAF. Vendor only selling ewes due to a different business direction. These lambs will grow out to heavy export lambs with right feed. Ewes are looking very fresh & holding condition well with lambs hanging off them. Lambs have been tagged & ewe lambs with a ring on tail, Wether lambs have a ring a balls but not tail. Ewe lambs have been tagged with a yellow tag, wether lambs with a mixed of yellow and purple tags. This lines is a mixed age mob. The Blue & Black tags have been wet & dried with the dries removed from mob. PLEASE NOTE vendor has other lines in with sale. Lines that will make up different truck numbers.
