Assessor Comments	A very good line of well bred NSM Angus Heifers, Purchased out of local tablelands weaner sales in April/May. Vendor paid particular attention to quality for growth and type when making these purchases. Heifers are 12-13 months of age and present in fresh forward store condition. Please note, odd Heifers with light ringworm and odd white marking under stomach. Vendor also has 3 other lots of Angus and Angus X Heifers in this sale.
