Assessor Comments	A small but quality line of un-joined Angus and black baldy heifers. Monaro bred on Rosskin bloodlines, these heifers would be a real opportunity to either fatten for a kill job or suitable to breed from for anyone looking to build numbers. Purchased as weaners out of the Cooma Saleyards as two lines off one reputable Bombala breeder. Ideal heifers to trade, ready for the bull of choice. Please note: Agent can arrange freight to Riverina with weekly market trucks to Wagga.
