Assessor Comments	A great opportunity to purchase 53 outstanding 452kg EU Vendor Bred Hereford Steers off Springfield Pastoral. These steers on offer are the draft of their 2020 Autumn drop steers and are genuinely only 17-18 mths. Springfield for many years now has purchased leading sires off the respective Mawarra & Sugarloaf Hereford Studs putting a real emphasis on the traits such as Growth, Positive Rib&Rumb and +IMF. Absolutely guarantee no expenses have been spared in the genetics of this Hereford Herd with numerous Bulls been used throughout there breeding program costing upwards of \$20,000. They are bred from large to very large framed Hereford cows and present in mainly store to forward/store condition ideal to take into the Spring that would suit any grass and or grain fed program. They were dehorned & marked using pain relief. These steers are Greenhams Never Ever Accredited and PCAS Accredited. Steers that are bred to perform and will not disappoint!
