Assessor Comments	A very nice line of vendor bred Friesian steers, showing good of frame for their age. Perfect steers to tip out and watch grow. Please note, there was 1 steer with old ring worm scars seemed to be on the improve, 1 steer has a docked tail and 1 steer were noticed with scarring warts around the neck. The vendor also has a line of heavier steers and another vendor has 34 friesian steers 6-7 mnths 25km away in the same sale to help trucking.
